**Good Day Victor,**  
**Trust this finds you well.**

**I am writing to you know regarding the air cooler cleaning equipment installed on the MSC Roberta in Jan / Feb 2009.**

**This equipment has been working effectively in keeping the main engine air coolers clean.**

**We would like to install similarly on sister vessels MSC Sena N MSC Jenny.**

**However vessels are trading and do not have any repair period planned in the near future. Kindly advise whether installation possible whilst trading ( I think should be possible) and accordingly send us your best offer. Thanks.**

**Supt for the vessel is Mr.Nyi Nyi Yin, Ric.**

**Best Regards**
